

College of Primary Care Medicine KHM

Early Career Prize 2019

Specialist field

Primary care medicine (including paediatrics and general internal medicine)

Research criteria

Research protocols or articles written in Switzerland or by Swiss researchers domiciled abroad are eligible for the award. The submitted work will be judged on three criteria: the idea, the development and the potential to become a research paper (if this is not already the case).

Prize money

CHF 5 000

The prize money may be awarded to one or several winners. The decision of the jury shall be final and without appeal. Furthermore, the jury shall not provide reasons for its choice.

Entrants

The Early Career Prize is awarded to young and future primary care physicians domiciled in Switzerland or who are Swiss nationals but domiciled abroad. Entrants must have passed the state examination within six years of applying for the Early Career Prize.

Entry deadline

15 December 2018

Award ceremony

To be held as part of the KHM continuing education conferences: 13 June 2019 in Lausanne; 27-28 June 2019 in Lucerne.

Award committee

Independent jury appointed by the KHM board of trustees

Entry conditions

Entries must be submitted in English by electronic means and contain the following:

- a curriculum vitae of the main author
- the research paper or research protocol

Works which have been previously submitted will not be accepted.
